

Privacy Policy

Scope and Consent

You accept this Privacy Policy when you sign up for, access, or use our products, services, content, features, technologies or functions offered on our website and all related sites, applications, and services (collectively "Purchasing Services"). This Privacy Policy is intended to govern the use of Purchasing Services by our users (including, without limitation those who use the Purchasing Services in the course of their trade or business) unless otherwise agreed through contract. We may amend this Privacy Policy at any time by posting a revised version on our website. The revised version will be effective as of the published effective date. In addition, if the revised version includes a substantial change, we will provide you with 30 days' prior notice by posting notice of the change on the "Policy Updates" page of our website. After this 30-day notice period, you will be considered as having expressly consented to all amendments to this Privacy Policy.

Collection of Personal Information

We collect the following types of personal information in order to provide you with the use of Purchasing Services, and to help us personalize and improve your experience.

Information we collect automatically

When you use Purchasing Services, we collect information sent to us by your computer, mobile phone or other access device. The information sent to us includes, but is not limited to, the following: data about the pages you access, computer IP address, device ID or unique identifier, device type, geo-location information, computer and connection information, mobile network information, statistics on page views, traffic to and from the sites, referral URL, ad data, and standard web log data and other information.

Information you provide to us

We may collect and store any information you provide us when you use Purchasing Services, including when you add information on a web form, add or update your account information, participate in community discussions, chats, or dispute resolutions, or when you otherwise correspond with us regarding Purchasing Services.

When you use Purchasing Services, we also collect information about your transactions and your activities. In addition, if you open a Purchasing account or use Purchasing Services, we may collect the following types of information:

- Contact information, such as your name, address, phone, email and other similar information.
- Financial information, such as the full bank account numbers and/or credit card numbers that you link to your Purchasing account or give us when you use Purchasing Services.
- Detailed personal information such as your date of birth or national ID number.

We may also collect information from or about you from other sources, such as through your contact with us, including our customer support team, your results when you respond to a survey, your interactions with members of the Purchasing corporate family or other companies (subject to their privacy policies and applicable law), and from other accounts we have reason to believe you control (whether in part or in whole). Additionally, for quality and training purposes or for its own protection, Purchasing may monitor or record its telephone conversations with you or anyone acting on your behalf. By communicating with Purchasing, you acknowledge that your communication may be overheard, monitored, or recorded without further notice or warning.

Information from other sources

We may also obtain information about you from third parties such as credit bureaus and identity verification services.

You may choose to provide us with access to certain personal information stored by third parties such as social media sites (e.g., Facebook and Twitter). The information we may receive varies by site and is controlled by that site. By associating an account managed by a third party with your account and authorizing Purchasing to have access to this information, you agree that we may collect, store and use this information in accordance with this Privacy Policy.

Authentication and Fraud Detection

In order to help protect you from fraud and misuse of your personal information, we may collect information about you and your interactions with Purchasing Services. We may also evaluate your computer, mobile phone or other access device to identify any malicious software or activity.

Using Your Mobile Device

We may offer you the ability to connect with Purchasing Services using a mobile device, either through a mobile application or via a mobile optimized website. The provisions of this Privacy Policy apply to all such mobile access and use of mobile devices. When you download or use our mobile applications, or access one of our mobile optimized sites, we may receive information about your location and your mobile device, including a unique identifier for your device. We may use this information to provide you with location-based services, such as advertising, search results, and other personalized content. Most mobile devices allow you to control or disable location services in the device's setting's menu. If you have questions about how to disable your device's location services, we recommend you contact your mobile service carrier or the manufacture of your particular device.
